

Dorothy Way elected chairman of board

Mrs. Dorothy Way, Trustee for the Municipality of Dysart et al, has been elected Chairman of the Haliburton County Board of Education for the year 1974. Mrs. Way has been a member of the Board since its inception in 1969 and has served on many of the

Board's committees.

Mr. Ralph Young, Trustee for the Township of Snowdon, was elected Vice-Chairman for 1974. Mr. Young has been on the Board since January, 1971. With his regular attendance at all meetings of the Board, Mr. Young has been a very active Trustee.

The Haliburton County Board of Education, for the year 1974, will consist of the following members:

Mrs. Dorothy Way, Dysart et al, Chairman; Mr. Ralph Young, Snowdon, Vice-Chairman; Mr. Ross Agnew, Glamorgan; Mr. Ross Anderson, Monmouth; Mr. H. Lloyd Johnson, Anson, Hindon and Minden; Mr. Leonard Lonsberry - Anson, Hindon and Minden; Mrs. Joyce McKey, Sherborne et al; Mr. Wildred Mason, Stanhope; Mr. Richard Poole, Dysart et al; Mr. Leonard Salvatori, Dysart et al; Mr. Peter Valentine, Lutterworth; Mrs. Goldie Watson, Bicroft/Cardiff; Mr. Dennis Waymouth, Dysart et al.

Snowmobile accident kills two

The Minden Detachment of the Ontario Provincial Police reports that Sterling Raymond Hewitt, age 25 of Minden, and Laurie Jean Bacon, age 15 of R. R. # 1, Minden, were killed in a snowmobile accident which occurred on the Minden Gelert Road in Snowdon Township at approximately 11:30 p.m. on January 19th.

The snowmobile they were on struck a parked trailer.

Haliburton Newsletter

Well what can we say about the weather. Up until the end of last week it was snow, snow and more snow. County and Municipal plows have been busy practically every day in an effort to keep the side roads and highways clear of snow. The smaller lakes seem to be safe for snowmobiling but be careful on the bigger lakes. As for the cottage roofs its time you had them shovelled off or you may be in for trouble.

More and more tourist lodges and cottage resorts are starting to realize that they can't make a living in just two months in the summer. Many of these people tell us that they are starting to winterize in hopes of picking up some winter business.

Just a reminder here that if you have not already sent your contribution to the Christmas Seal appeal please do so right away. Send it to Box 117, Wilberforce.

Among its many upcoming projects the Rotary Club of Haliburton is considering the possibility of putting in a Tennis Court in the Rotary Beach area.

In his report to County Council recently Gary Agnew, chairman of the Centennial Committee stated that the book "In Quest of Yesterday" is now on sale and has been selling quite well.

DPD Transport of Haliburton have the contract for clearing the grounds at the site of the disposal plant for Haliburton sewage system. Workmen are busy taking out stumps and building an approach road to the property which is located near the new bridge just outside of Haliburton.

The Snow Ball Express Snowmobile Ball held at the Legion Hall on Saturday night was a great success. All tickets were sold and everyone had a good time. It was sponsored by the Haliburton County Snowmobile Association.

Wallings Dairy sold to Michael Stinson

Wallings Dairy of Haliburton was sold to Michael Stinson of Haliburton on January 1.

Almost half a century ago, Walling's Dairy pioneered the Dairy industry in Haliburton as a family business headed by the late Samuel Walling with his sons Lester and Stephen as partners.

It was at that time, and until the early 40's a self-contained business, with the milk produced from their own herd of Holstein cows, processed and marketed by the family.

When Mr. Walling Sr. retired in 1940 the farm and Dairy business were carried on by Lester and Steve.

During these years an up-to-date block dairy building was constructed, pasteurization and homogenizing of milk was introduced (to the area) and delivery by truck and replaced the horse and wagon.

As business was expanding, due in part to the normal growth of the Community but mainly to a tremendous expansion in the tourist industry it was decided to separate the raw milk production from the processing & distribution. Thus, in 1951, the negotiated a deal whereby Stephen retained possession of the farm and herd and Lester

took over the processing and distribution, purchasing milk from his brother until the

farm was sold in 1966.

As other phases of the economy grew, the opposite

was true in respect of the farming industry and the supply of milk at this point fell far short of the demand, especially in summer when the requirements more than tripled.

Fortunately, at this time, franchising with big companies was gaining favour so the solution came in the form of a franchise deal with Silverwood Dairies Ltd. Although the change involved considerable adjustment such as reducing staff and disposing of processing equipment, it also relieved the dairy of the upkeep of equipment and the purchase of new machinery to keep a pace with the ever increasing changes in packaging, so in retrospect it has proved to be a step in the right direction.

From January 2nd 1925 to December 31st 1973 covering a space in time of 49 years, not a single scheduled delivery was ever missed regardless of almost every kind of inclement weather experienced in that period.

It is a recognized fact of business life, that, no matter who offers what for sale, in the final analysis, the success or failure of any business is in direct relation to acceptance or rejection of the product by the customer for without him there would not be a business.

At this time Lester and Mary Walling would like to express their sincere thanks and appreciation, to all those fine people, their customers, past and present, who contributed to their success.

On January 1st, 1974 Wallings Dairy of Haliburton was sold to Michael Stinson also of Haliburton. Lester Walling former owner of Wallings Dairy on the left is shown presenting the ownership papers to the new owner.

Forest Products Day planned

Plans for a Forest Products Day at two local secondary schools are nearing completion.

The day, devoted to the forest industries, is sponsored by the Bancroft Committee of the Forest Products Accident Prevention Association.

Forest Products Day is scheduled for Feb. 5 at North Hastings High School and Jan. 31 at Haliburton Highlands Secondary School.

The day is directed toward grades 9 to 11 and will include film presentations by Outboard Marine Corporation, Ontario Forest Products and FPAPA.

According to Bruce Gibbs of Wilberforce, an association member, a video tape of lumbering operations in the Haliburton-North Hastings area will be presented by the North Bay office of the FPAPA.

He said the association has also made arrangements for a presentation by the

Minden office of the Ministry of Natural Resources.

Mr. Gibbs says the committee came up with this idea of promoting the forest industries in the schools about one year ago. He says it was started, mainly because of the lack of qualified people in the industry. He added that a high accident rate in the local industry played a part in the committee's decision.

The FPAPA feels information directed to high school students could lead to development of a more skilled labor force for the wood products industry in the future.

According to Mr. Gibbs skilled workers can easily avoid potentially dangerous situations and often produce products more economically. He cited the feller as an example.

A tree can be completely destroyed if it is not felled correctly.

Fellers make "upwards of \$50 a day" in some cases says Mr. Gibbs.

Stackhouse acquired by Pittsburg Penguins

Pittsburgh Penguins of the National Hockey League yesterday traded goaltender Jim Rutherford and defenceman Jack Lynch to Detroit Red Wings for defenceman Ron Stackhouse.

Stackhouse, 24, broke into the NHL with California Golden Seals in 1970. He was traded to Detroit in 1971 for Tom Webster. This season he has two goals and 14 assists in 33 games.

Rutherford, also 24, of Beeton, Ont., broke in with the Wings in the 1970-71 season, but went to Pittsburgh in the 1971 intraleague draft. He played 89 games in two seasons with the Penguins. This year

in 26 games he has a 3.44 goals-against average.

Lynch, from Toronto, split last season between Pittsburgh and Hershey of the American Hockey League. He played this season for the Bears. His last amateur club was Oshawa Hockey Association Major Junior A series.

Penguins also called up centreman Bob McManama from Hershey and have sent defenceman Ab Demarco to New York for examination by a specialist for a shoulder injury.

Ron Stackhouse played with the Haliburton Junior Huskies and the Peterborough Petes before joining the N.H.L.

RAILWAYS AND THE PROVISIONAL COUNTY OF HALIBURTON

Correction: The railway spur to the Village of Haliburton on which funding was raised by debenture was an extension of the Victoria Railway which had emerged from the Fenelon Falls and Ottawa Railway. This then became known as the Victoria-Haliburton Railway.

From the minutes of the third meeting of County Council which was held in the hall over the Post Office, Minden, on July 14th, 1874, a communication was read from the Provincial Secretary, approving by the Lieutenant-Governor of the submission of the by-law granting aid to the extent of fifty-five thousand dollars to the Victoria Railway, by a grouped portion of the County.

The Irondale Bancroft and Ottawa Railway was constructed commencing in 1884 following the discovery of iron in Snowdon Township, and this section of railway ran from the Toronto and Nipissing Railway through a portion of Victoria and the Provisional County of Haliburton and was extended to Bancroft.

Huskies down Little Britain 9-0 ...

The Travelways Huskies remain on top of the league as they scored a convincing 9-0 win over the visiting Little Britain Aces here on Saturday night.

Louis O'Hara was the #1 star of the game as he recorded his first shut out of

the year.

The Huskies got five goals in the first period from Bill Leary, Roger Bain, Floyd Henry, and two by Tim Curry.

Rick Wood and Bill Leary scored in the second and Bev. Hicks and Ernie Bain

...tie all stars 8-8

Grant Bronson of Bancroft, Larry Fawcett of Bobcaygeon, and Murray McGann of Bobcaygeon scored first period goals to give the All Stars a 3-0 lead at the end of the 1st period. Rick Wood scored twice in the second period while the All Stars added 3 more with goals by George Brown of Bobcaygeon, Murray Wilson from Bancroft and Steve O'Leary from Little Britain.

The third period saw the Huskies score five consecutive goals within eight minutes to take a 7-6 lead.

Darrell Barrett of Newcastle tied the score again

for the All Stars at the 10-minute mark.

Mike Good put the Huskies ahead at 13:04 only to have Tom Jacobs of Bobcaygeon tie the score again with three minutes left to play.

The other goal scorer in the third period for the Huskies were Rick Wood, his third, Ernie Bain, Larry Robinson, Mark Schell, and Stephen Lloyd.

Ralph Beavis from the Lakefield team, playing goal for the All Stars in the first half of the game, kept the Huskies off the score sheet with his excellent play.

Tibbet is guest speaker

The Haliburton Rotary Club had as their guest speaker last Thursday Mr. Milt Tibbet. Mr. Tibbet is the Chairman of the Regional District Municipality Muskoka.

In his remarks Mr. Tibbet outlined the responsibilities of this form of government and pointed out how successful it had been in Muskoka.

Rotarians found Mr.

Tibbet most interesting as citizens of Haliburton County await a move toward a new form of government of for our area that appears inevitable.

Mr. Tibbet fielded questions from the floor most capably and provided an excellent program. Murray Fearrey introduced Mr. Tibbet, and the guest speaker was thanked by Art Ward.

scored third period goals.

On Sunday afternoon the Huskies defeated the second place Bancroft Jets by a close 5-4 score in Bancroft.

Rick Dubreuil opened the scoring for Bancroft in the first period while Tim Curry and Bill Leary notched goals for the Huskies.

Ernie Bain and Bill Leary added second period goals to give the Huskies a 4-1 lead going into the third. Bancroft's Rick Dubreuil scored his second and third

goals of the game and Loren Hawley scored once to narrow the margin to one goal.

Roger Bain scored an unassisted goal in the third to give the Huskies the win.

Next Saturday night the Bancroft Jets will be in Haliburton for their last scheduled game.

If the Huskies can win this one it will assure them of first place in the league. The Huskies have five league games remaining.

Nunn-Cyran are married in Amherst, Ohio

Miss Jacqueline Nunn, daughter of Thomas and Elaine Nunn, of R. R. #1, Haliburton, Ontario, and Mr. Michael John Cyran, son of Benjamin and Pauline Cyran of 401 North Leavitt Road, Amherst, Ohio, were married on September 28th, 1973.

The ceremony took place at seven o'clock p.m. in Saint Joseph's Catholic Church, Amherst, Ohio, with Father David Beesing officiating.

Miss Louise Anthony, the bride's best friend, was Maid of Honor. The bridesmaids included Misses Patricia Lence, Valerie Dietrich (cousin of the bride), Elaine Stein, Kathy Vander Poole, and Mrs. Sharon Ziolek (the bride's aunt).

Misses Lisa and Renee Flores, nieces of the bride, were flower girls.

Mr. Dale Kulchar was Best Man. Ushers were Michael Dover, Tom Cyran (brother of the groom), Scott Cook, Dale Lay, and Daniel Nunn (brother of the bride).

The bride wore a full-length slipper satin gown with cathedral train, trimmed with white satin ribbon and tiny eyelet lace flowers. Her headdress was full Juliet-cap trimmed with seed pearls and eyelet lace matching that on the gown. Cascading over the top of her finger-tip veil were five satin ribbons embroidered with seed pearl flowers. For that "something old", the bride wore her grandmothers gold locket.

The bridesmaids wore navy "peasant-styled" voile gowns trimmed with white eyelet lace. Their headdresses were juliet caps made of

navy seed pearls trimmed with short veils.

The flower girls wore navy, white and red gowns, made by Miss Elaine Stein, with matching juliet caps.

The groom and father-of-

the-bride wore black tuxtails with white ruffled shirts and black velvet butterfly bowties. The ushers wore black tux-tails also, but with powder blue ruffled shirts and and black velvet

butterfly bow-ties.

The bride carried white fugi mums, white pom-pom mums, stephnotis, baby's breath, and blue straw starflowers dyed to match her bridesmaids gowns. The bridesmaids and the flower girls carried white fugi mums, pom-pom mums, baby's breath and blue straw starflowers.

The groom's buttoneer was stephontis and the ushers wore carnations.

The mother of the bride wore a soft blue gown with white satin pert-pan collar and cuffs. Her corsage was blue-tinted sweetheart roses. The groom's mother wore a brown and gold paisley metallic gown with a corsage of yellow sweetheart roses.

After the ceremony there was a reception at Spring Lake Park Club, with a hot and cold buffet, drinks and dancing.

The couple did not go on a honeymoon.

Stanhope Fire Department holds open house at new fire hall

On Saturday, January 19, 1974, the Stanhope Volunteer Fire Department held a very successful Open House at the new Fire Hall on the North Shore Road. We were pleased to see so many cottagers, as well as permanent residents turn out to show their support for the firemen.

Boshkung Lake Cottagers' Association presented a cheque in the amount of \$300.00 to the Fire Department to be used to purchase a resuscitator.

As a fund raising project,

the firemen have been selling tickets on a Baby Boa snowmobile, and the highlight of the afternoon was the draw for this machine.

The winning ticket, Ticket No. 1018 was drawn by Miss Laura Barnes, and the winner of the snowmobile was Mrs. Dora Brown or R. R. # 2 Minden.

In recent practice sessions the firemen have flooded a skating rink next door to the Fire Hall, and they hope the Township residents will make use of this ice surface

for their outdoor enjoyment.

We wish Fire Chief Richard Kinsman and his band of volunteers every success, and trust Stanhope residents will give the men every support and encouragement.

These men receive no remuneration for their time spent in meetings, practices and extinguishing fires. Their only compensation is the knowledge that they are doing their best to provide fire protection for Stanhope Township.

32 rinks entered Oshawa rink wins bonspiel

The 15th Annual Skyline Bonspiel held over the weekend, was again a big success, rinks coming from as far away as Tottenham in Western Ontario. The 32 rinkspiel was filled very early, with seven entries on the waiting list being very disappointed. Weather conditions were good; the first draw started at 4 p.m. The results are as follows;

The A. event, sponsored by the Haliburton Lumber Co. was won by John Pipers rink from Oshawa, who received electric toaster ovens. Bev. Smiths rink also from Oshawa was runner up. Sinclair Davies rink from Rexdale won third prize and Wayne Hussey from Oshawa fourth.

Curry Motors Ltd. sponsored the B. event with the winner being Bob Timbers rink from Uxbridge, who received power tools. Runner up was John Young from Brechin, third prize went to Irwin Coneybeares rink from Richmond Hill and fourth to Mike McKay from Oshawa.

The C. event was sponsored by Giles Connely, Imperial Esso Dist. and the winner Dave Connells rink from Tottenham went home with Voyageur blankets, while a local rink of Walter Webbs was runner up. Murray Kunos rink also from Haliburton won third prize, and Mike James from Uxbridge won fourth.

A delicious turkey dinner was served in the arena auditorium Saturday night, and the Club would like to thank the ladies in charge for their work and a job well done.

Tom Stinson was bonspiel chairman and Jack Robert-

son draw master. The ice was in excellent shape due to the management of the Colliver boys and the refreshments in the bar was capably looked after by Mrs. Jean Colliver.

Derry Wilford, President of the Club, took over the final ceremonies in giving out the prizes and thanking all those who participated.

Changes for churches

The Rt. Rev. L. S. Garnsworthy, Bishop of the Anglican Diocese of Toronto, has announced the following changes for churches in our area.

St. Peter's Church, Maple Lake, has been added to the Parish of Minden under the direction of the Rev. A. S. Hutchison.

St. Margaret's Church, Wilberforce, has been added to the Parish of Haliburton, under the direction of the Rev. R. Kasurak, with the Rev. George Meades as Retired Priest serving Wilberforce.

The above changes went in effect on January 1, 1974.

\$20,000 grant given to Anson-Hindon-Minden

Seventy-four Government of Ontario grants, under the Community Centres Act, totalling \$539, 462.64, were announced today by Minister of Community and Social Services Rene Brunelle.

Three grants each of \$20,000.00 went to the Townships of Anson-Hindon-Minden; the city of Toronto; the township of West Flamborough and the Township of East Flamborough, all for the building of new arenas and Halls.

"Community centres are becoming an ever increasing part of community living in our society, which leisure-oriented", said Mr. Brunelle.

Ice storm creates havoc

The ice storm that was followed by rain that hit Haliburton County late Sunday afternoon played havoc with driving conditions and things were bad up until Monday night when the rain ceased to fall.

School buses in the County did not operate on Monday and many people did not show up for work due to the road conditions.

Accident causes \$425 damage

An accident on Highland Street, in Haliburton left both drivers uninjured and caused \$425 damage.

Police identified the drivers of the cars as Brian Black, 25 of Haliburton and Thomas Redner, 50, of R. R. #1, Haliburton.

Some serious thoughts on a serious business

By Roy Bates

The night has been fun. We've been out for a run, and then come inside. For a drink. Perhaps two. Or a few. And now it is late. Time to get people home. There's a girl needs a ride. Take the car. It's not very far, and the snowmobile waits...

Hey, that curve! I slid right across! That's odd. It's the weight of the girl on the back. Better watch it, I guess...

How she laughs! I'll just give her a thrill, on this hill, and then I'll slow down. What's THAT? a PARKED CAR oh my GOD...

A headlight appears. Someone's been working late. He thinks of the hot cup of coffee his wife will have waiting. I may watch the late movie tonight if it's any good...

WHAT IN HELL'S THAT AHEAD...

The young man is dead.

There's a flicker of life in the girl. Not for long. He races away to a phone...

An ambulance comes. And a cop. And the coroner's there. It's too late.

She is gone.

This is **NOT** an account of the accident which claimed two young lives on the Minden Road last Saturday night. It is a composite of all the accidents that occur somewhere every winter weekend. **THEY HAVE TO BE STOPPED.** Pick up a newspaper. Turn on your T.V. You'll read and hear warnings from people, like me who know what the dangers are. "Don't ride the roads. If you must - check your speed." "Be careful on ice." We warn. They don't heed.

Legislators, it's now up to you. The job will be rough. But it's time to get tough. And here's what you must do:

Designate certain roads as snowmobile routes. And post them as such. Prohibit all parking. And levy a fine. Pay for the towing plus one-hundred bucks. On all other roadways ban the snow-sled. With a similar fine, or impound the machine.

There will be fewer dead.

They need your support

The Haliburton Travelways Huskies team which is presently in first place in the Central Ontario Junior D Hockey League is one of the best junior teams to every come out of Haliburton.

Up to this point in the schedule the team has only lost one game and is presently in first place.

This is a team which appears to have the hockey talent to go all the way in this league and could go on to a possible championship.

The Travelways Huskies game after game have supplied the home fans and others throughout the league with first-class hockey action. They are a team that we can all be proud of.

In the above paragraphs we have told you the good news but now here is the bad news. Here we are with a winning team but the management are very upset with the poor attendance at their home games. The crowds have not been all that great and last Saturday night at Haliburton the attendance slipped to an all-time low when only 200 fans turned out for the game.

It costs money in this day and age to operate a team and they must count on local support. They need big crowds at each and every home game to carry on and they also need your vocal

support so that they may press on to the championship. Think it over and come on out to the games and cheer this great team on to victory.

Time for action

The new Global TV Network has come to Bancroft. Weather conditions were a factor in the delay of its operation but the information officer for the network stated last week that Global Channel 2, Bancroft is ready to go.

We are quite perturbed to think that this tower was not placed in Haliburton County. We have at our disposal one of the best locations in Ontario at Eagle Lake.

It seems to us that the powers to be in Haliburton County are sleeping at the switch. They should have got right on to this and made an effort to see that this Global Network tower was placed at Eagle Lake.

In our opinion this wasn't a matter for the local municipal council, this was a project for the County.

How can this County progress and go ahead if we are going to sit back and play second fiddle all the time and let everything go somewhere else.

Pic of the Past

Pictured above is the town hall in Haliburton in 1913. This picture was taken long before the village had sidewalks or paved roads. The building still stands today with major changes having been made to both the exterior and interior.

The house on the left is now owned by Mrs. Ellwood Austin. Thanks to Mrs. Rose Coneybeare who gave us the photo.

BILL SMILEY

Yes, you may call me Grampa. The kid arrived three days too late to be any use as a tax deduction. But we can't all be perfect.

Aside from that, he is. Perfect. According to the ladies. He's a dandy little fellow, with rosy cheeks, his mother's auburn hair, his father's eyes, and his grandfather's sweet little rosebud mouth. He's very peaceful and sleeps a lot, so he doesn't seem to have anything of his maternal grandmother in him.

There are certain occasions in our lives that are peaks, even though most of the time we seem to be down in the valleys.

These are the times when something special happens. They don't have to be milestones, like graduations and weddings. In fact, these are often so formalized, they can be excruciatingly dull.

No, I mean those rare events that are crystal clear, even with the passing of years.

I don't remember a thing about my birth, for example, and that was supposed to be something important.

But I remember vividly the day in public school when I was sick, sick, sick, was too proud or too shy to ask to leave, and vomited on the classroom floor and all the way down the hall to the lavatory, with my best girl watching the whole sordid thing. I was nine, and that was my first affair. It died in the bud.

I remember a baseball game, in my teens. I was at bat. Bases loaded, two men out, the count three and two. The next pitch was obviously low. I dropped my bat and started to jog to first base, forcing in the winning run. "Stee-rike three!" bellowed the umpire. Game over. Instant ignominy.

I'll never forget my first real job. Arrived at the docks about midnight, thrilled beyond reason. I was going to be a sailor. Found a bunk. Couldn't sleep, with

the excitement of it all. My heart resembled a drumming partridge. Had a big breakfast and prepared to enter manhood. I was seventeen. My boss took me in tow, gave me some brasso and a rag, led me into a men's urinal, pointed at the brass foot-plate and said, "Clean it."

Another big day was the one on which I passed my wings test. I had flunked one two days before because the intercom was almost useless. The instructor would tell me to do a steep bank to port and I'd do a slow roll or a loop. He took a dim view. It looked like washout and back to manning pool to wash dishes for the duration. But I got a second chance, flew like Jonathan Livingstone Seagull and walked on air for weeks.

Another time that is etched in my mind is my first visit to London. As the train neared the great city, I was trembling so violently I couldn't light a cigarette. It was probably

the thought that I, a small-town, small-time boy, was actually about to enter the setting of a thousand stories, the home of kings and queens, the fertile spawner of a vast empire. I didn't stop shaking until I'd downed two pints of bitter.

You'd think a chap's first operational flight against the enemy would be a high-light. Mine wasn't. I was too busy or ignorant to be even scared. All those red and green things zipping past the cockpit might as well have been Christmas tree lights, instead of tracer bullets.

But I don't suppose I'll ever forget the day I was shot down. One minute there was the snarl of engines, the whack of cannon shells, the crump of flak and the dirty black spots in the sky, as shells burst. Mates all around me.

Next minute there was total silence. No engine. No mates. No flak. Just the blue sky above, the dun earth below coming up

swiftly but dreamily and me thinking, "Well, there goes that date with Tita in Antwerp tonight."

There are lots of other peaks. The day I decided I was in love with a girl, once and for all, and took the plunge, after deciding that I wouldn't marry until I was forty and had explored every means of escape.

And the day my son was born. Hugging the knowledge that I was a father and had a son, even though I was in hospital a hundred and fifty miles away when he was birthed.

And the day my daughter was born, slipping into the world as easily as she has slipped in and out of equally ridiculous situations ever since.

Anyway, the birth of my grandson was one of the peaks. I can tell. You can't fool an old peak man like me.

At long last! A communique! I have received a bulletin from the SHIRT TAIL SPORT CLUB, Minden, centered in the Ingoldsby area, which indicates a thriving group with some interesting activities coming up. I understand the club is about sixty families strong with about a third of these being snowmobile enthusiasts. Other activities are: hunting, fishing, sailing, hiking, picnicing, partying, etc.

The Club held a successful New Year's Eve Party at which a good time was enjoyed by all 70 persons in attendance. A gourmet dinner was a feature of the evening. On January 27th a "Winter Social Fun Day" will be hosted by the Club at the Homestead's homestead, on Cinning Lake. (Otto Homestead is the club President.) This is a family fun day featuring snowmobiling, campfire, wiener roast, goulas-soup, refreshments, skating, and sleigh-rides. Activities will get under way at 12:00 noon, and the all inclusive admission is \$1.50. In the evening there will be a get-together at Sunny Rock Lodge with music and dancing. The lodge will serve a "Wiener Schnitzel Dinner" at 6:30 for the reduced price of \$2.80. And on Saturday, February 16th, a Valentine Dance is scheduled at the Sunny Rock Lodge.

For the Wiener Schnitzel Dinner reservations must be made at the Lodge. Phone 286-1507. Advance tickets for the Valentine dance are available from several persons and from Sunny Rock and Alrutz General Store.

I wish for the Shirt Tail Sport Club every success with these events. And may your membership grow. Persons interested in joining this enterprising group should contact Jim Hamilton, Ingoldsby, R. R. # 1, Minden. Phone 286-1116.

The January 13 expedition (to test conditions along the Tri-Trail) was really not as difficult as expected. We managed to ride from Haliburton as far as Redstone Lake. Slush was encountered on all lakes though only two machines managed to get stuck in it. Lady Luck was riding with the other six. The intent was to break a track which would freeze down to allow safe travel along the trail. I'm afraid the effort was negated by the weatherman who sent more snow instead of cold to make the slush even deeper. Our apologies to those who have been looking forward to riding this trail. Meanwhile some grooming is being done on other routes.

A couple of weeks ago I submitted, with this column to both papers, a list of the larger donations to the HCSA and a photo of our Alpine and drag. The Progress published the list. The Echo published the photo. We wonder why these community-conscious papers would omit any portion of this important informational material. The HCSA is deeply indebted to the KINSMEN, the ROTARY, the LEGION, the MANY BUSINESS who contributed, and the COUNTY COUNCIL. All we can say is "THANK YOU. We could have done nothing without your support."

The Donald Windigos Snowmobile Club has just received a new batch (100) of club crests. These are now available to new members (and will be in the mail to them shortly) and renewal members wishing additional or replacement crests may obtain them from this writer at R. R. #2 Haliburton. Phone 457-1658. Price \$1.00.

Creative Writing

This course will allow students to study the writings of well-known fiction authors, learn the craft and techniques of good writing, and practice writing in a creative environment.

The course will focus on fiction, primarily the short story -which is an almost perfect model for the study of fiction- and will cover these areas:

- nature of the communication
- where to find ideas
- physical/psychological description
- dialogue; monologue; interior-monologue
- action
- point of view
- plot
- pace
- style

Students are asked to bring looseleaf paper, notebooks and any books containing short stories they may have.

Instructor: Julie Kennedy, B.A. (Trent)

Location: Lakeview Centre, Haliburton

News from Gooderham

By S. Armstrong Goff

We have had a few jolts lately about waste and we needed it. A few years ago I flew over the Rocky Mountains in a small plane. It could not fly at the heights presently used and consequently we flew along the eastern side of the mountains in Alberta. The flight was at night and directly over the Turner Valley. The scene below was spectacular. There seemed to be hundreds of torches burning as though some ancient army was on the march in the dark. My seat companion informed me that these were jets of natural gas. On reflection I realized why they were burning. If the gas was not burned as it escaped it would cover the area and cause a conflagration or explosion. But the thought struck me -- why don't they use it? Upon enquiry I was told that it wasn't worth while since the gas wells produced lots of gas in large quantities which could easily be piped into large gas mains. Why bother with small jets...just burn them off, and they wouldn't harm anyone. Why indeed? No matter that the burning jets were continually decreasing pressure which forces the gas to the surface or that the available amount was being wasted. Now they tell us the wells will be exhausted in 10 years.

You may have heard that some one claims to be able to use water in conjunction with fuel oil for more efficient economical burning. This is quite feasible but is not new. During the forties a

brilliant gentleman 75 years old by the name of Ryerson demonstrated this in a standard oil furnace. I examined this process carefully and it was true. He had encountered a few difficulties because of impurities in water from the city main but the flame burned with almost a clear blue flame and no soot. Unfortunately he had been swindled so often that he was suspicious even of the men who would have helped him market his process. So it died on the vine. If the jolts we have had serve to change us from a philosophy of waste to one of conservation there may be hope yet for this plant.

Gooderham folks have recently demonstrated their patience and goodwill through all this snow.

Ordinarily we are well served but the Township was unfortunate in having its big plow damaged by fire requiring it to be taken to Toronto for repairs. In the meantime smaller equipment was pressed into service and fell heir to several breakdowns. Everyone did their best but removing the snow was necessarily slow. We are now mostly cleared and we hear that the big plow is well on the way to a complete repair.

The council has been busy getting information in respect to fire protection. Committees have been active and we will soon know more about this.

Canarvon News

Congratulations to Mr. & Mrs. Young on their 50th wedding anniversary. Their 2 sons and daughter-in-laws entertained them to the Rosedale Golf Club in Toronto. Mr. & Mrs. Bud Medley attended too.

Clayton Rogers (Uncle Dudley) is still in the Haliburton Hospital and I am sure we all wish him a speedy recovery.

Mr. & Mrs. Jack Barnhart and family spent the weekend with Neal Barnhart and his family in Dorset.

We were sorry to learn that Eileen Crawford (Hart Lodge) had been in hospital and she is home now, and hope she makes good progress in getting better.

Mrs. Irene Minaker, Mrs. Phyllis Briscoe, Mrs. Muriel Medley and Mrs. Kay Clarke

are all leaving this week end for two weeks in Fort Lauderdale.

The Canarvon Restaurant which was owned by the Roberts is to be under new management, the Roberts left on Monday and the new owners are taking over this week. We wish them every success.

Our sincere sympathy is extended to Mrs. C. D. Ferguson in the loss of her husband, they have been summer visitors for several years, and had taken up their permanent residence here, on Hawk River.

Our sympathy is also extended to Mrs. Lawrence Wheeler of Kushog Lake, in the loss of her husband. During the depression Mr. Wheeler drove taxi in this district and later moved to Detroit. He retired about 2 years ago and had taken up permanent residence here. He kept his Canadian citizenship. He will be buried in St. Stephens cemetery.

If you have any news of interest to folks would you please call 489-2286 on or before Wednesday of each week, so that it gets into the next weeks Echo.

YOU TODAY TOMORROW

There is only today between you and tomorrow

Which is why Canada Pension Plan benefits will be increased **today** and will be kept in line with the cost increases of **tomorrow**

What this means to you as a beneficiary

From January 1st 1974, Canada Pension Plan benefit payments will be adjusted to reach... then maintain a level in line with the actual cost of living.

If you are receiving monthly benefits that began during the period 1967 to 1973, your benefits have been recalculated so that the amount you receive in 1974 is related to the actual increase in the cost of living over the years your benefits have been paid. When you receive your January 1974 benefit cheque, you will see that it has been increased. The increase in your payment will vary from 8% to 20% and will depend on the year in which your benefit first became payable.

In future years, if living costs continue to rise, you can expect further increases in your benefits based on current cost of living data.

What this means to you as a contributor

As a contributor to the Canada Pension Plan, you are building a basic and portable retirement plan for the future and at the same time providing current protection for yourself and your dependents against the possibility of severe disability or early death.

In order to protect the value of your eventual benefits, the Canadian Parliament has passed legislation which ensures that the contributions you make today will give benefits that maintain the purchasing power of today's wages twenty, thirty or even fifty years from now... when you need it!

To achieve this, the Government plans to have the earnings ceiling — the maximum amount on which contributions are paid and on which benefits are calculated — increased each year so that it will reach, and then keep even with the average earnings of Canadian industrial workers. This ceiling will be raised from \$5,600.00 in 1973, to \$6,600.00 in 1974 and \$7,400.00 in 1975.

This new earnings ceiling means that the year's basic exemption — the initial amount on which you do not pay contributions — is changed from \$600.00 in 1973 to \$700.00 for 1974.

These changes also mean that the maximum employee contributions will increase from \$90.00 a year in 1973 to \$106.20 in 1974. Your contribution is matched by your employer. In the case of self-employed persons, the maximum annual contribution is increased to \$212.40 for 1974 as against \$180.00 last year. For earnings of less than \$5,700.00, there will be no increase in contributions.

The change in the earnings ceiling means that the maximum retirement pension will rise from \$90.71 for pensions effective in December 1973 to \$134.97 for those whose pensions will begin in December 1975. As the maximum earnings levels for the years after 1975 continue to rise, so will the maximum retirement pensions in those years. There will also be increases in the maximum values each year for disability and survivors' benefits.

Haliburton County Council

Members of County Council were led into the Council Chambers at 2:00 p.m. Tuesday, January 15th, by Piper Earl Cooper on the occasion of the Inaugural meeting of Centennial year 1974.

Clerk Winifred Lahay declared the meeting to be in session and confirmed Certificates of Office to be in order for all members as follows:

R. Booth, D. Pritchard, Anson, Hindon & Minden; J. M. Howarth, Improvement District & Bicroft; R. McGillivray, Cardiff; R. Brohm, M. Fearrey, Dysart et al; R. Fotheringham, N. Locke, Glamorgan; R. Bee-ney, L. Walker, Lutterworth G. Agnew, K. Tallman, Monmouth; A. L. Lock, D. Russell, Sherborne, McClin- tock and Livingstone; R. Vick, G. Kellette, Snowdon; S. G. Nesbitt, J. Harrison, Stanhope.

Rev. James Bushell of Minden United Church

commended members of Council in their challenge to preserve peace, security and orderliness and to proceed with honesty and the courage of their convictions on the onset of the next hundred years, and he prayed for their guidance.

RESOLUTION NO. 1/74: Nomination for Warden. That Murray Fearrey be nominated for Warden for the year 1974. Carried.

There being no further nominations, Mr. S. G. Nesbitt moved that nominations be closed, seconded by A. L. Lock. Carried.

Murray Fearrey Warden. The Clerk declared Murray Fearrey to be Warden of the Provisional County of Haliburton for the year 1974.

Mr. Fearrey was led by Piper Earl Cooper to the dias where Past Warden Robert L. Fotheringham placed the Warden's robe on him and wished him success in the challenge ahead of him.

Warden Murray Fearrey read the Oath of Office and received the Chain of Office from the Clerk. He thanked members of Council for the honour bestowed on him and reminded Council that Haliburton County has a proud heritage and we must ensure that after 1974 we are able to continue. "If we work together and we stand together for Haliburton County, perhaps in 1974 we can put it all together".

RESOLUTION NO. 2/74: Steering Committee, That Gary Agnew, Sinclair Nesbitt and Robert Fotheringham be the Steering Committee for 1974. Carried.

Mr. R. Glen Hodgson, M.P.P., extended congratulations to Murray Fearrey as Warden, and to Council for their selection, and predicted a particularly heavy assignment for the Warden with some of the 1973 work coming to fulfilment, new endeavours, and the celebration of the County Centennial. In retrospect of the reason for the County's creation, Mr. Hodgson suggested a study of the future prospects for the railway as a means of transportation in the County. Beyond the normal activity of a County Council,

Gems of Truth

Contributed by Mr. "B"
Claims to truth are not resident in society or creed. Only the Source of all truth can meet its broad demands. Many claims to its high standard achievement are nothing but a hoax and delusion of the opposer of real truth.

The source of real truth lies in none other than Jehovah God Himself, who has been pleased to reveal Himself to the human race by way of the Incarnation when the Great Creator and Sustainer of this universe clothed Himself with a body of flesh and lived among men.

Alone in this One do we find real truth. Not partial

truth or mixed with error but absolute truth. Such truth is not found or known by reason but by revelation. The Lord God refuses to be found by human reason, but by a receptive attitude toward God's revelation of Himself in His Word the Bible.

Weekly Scripture Quotation
"And we know that the Son of God is come, and hath given us an understanding, that we may know Him that is true and we are in Him that is true even is His Son Jesus Christ. This is the true God and Eternal Life. 1 John 5:20.

Food for thought:
"Seek God's way, not His approval of your way".

Minden Branch

Bible Society report

Since 1973 is now history and Bible Society report follow its trail, it is very evident that previous record giving has been surpassed by the fine response of God's concerned children.

The Minden Branch of the Society wish to take this opportunity to thank all those who have supported this avenue of service to their Lord. Making God's Word available to those who have been deprived of it these many years is a spiritual barometer of our own appreciation of the Holy Scriptures.

This has been a good year for the Society but much more remains to be done. Should anyone have missed helping make it so, a new year is at our door and the challenge of doing even better in 1974 is before us.

To often we are prone to make year end donations and forget that the presses and output goes on at a daily basis. Early returns really help to keep the wheels turning. Think about it, then resolve to join with God's family in making the days ahead fruitful for a Bible hungry world.

According to figures just released from the head office in Peterborough, the Minden Branch is credited with

contributions amounting to \$713.50 for 1974 as compared \$376.10 for 1973. Again we say thank you to all who shared in this work of love.

The Executive.

The Warden announced a short recess at 2:45 p.m. to visit with Past Wardens who were in attendance. Council reconvened at 3:05 p.m. Warden Murray Fearrey welcomed Past Wardens: Ronald J. Curry (1937), Edward H. Peacock (1953), Holly Sisson (1961), Lawrence Pritchard (1963), and Charles Brandon (1969), and called the names of Past Wardens who are presently active with County Council

and others who were unable to be in attendance. He also introduced Mrs. Elsie Bursey, Administrator of the Hyland Crest Senior Citizens' Home; Mrs. Mary Packard, Secretary-Treasurer of the Haliburton County Public Library; Mr. Donald J. Finn, County Solicitor; Mrs. Jean Jackson, County Registrar; Mr. Larry Perrott, Secretary-Manager of the Haliburton Highlands Chamber of

Commerce; Mr. Hugh Holler, Manager of the Canadian Imperial Bank of Commerce; Mrs. Nila Reynolds, Author of "In Quest of Yesterday"; Mr. Creighton Feir of the Haliburton County Echo; and Mr. Peter Courtney of the Minden Progress.

Mr. Ronald Curry addressed Council with a wealth of historical facts, and played on tape a message recorded at Haliburton Red Cross Hospital for this occasion by the Senior Past Warden (1930 and 1955), Mr. Clayton Rogers, whose concluding remark was his wish for all residents of Haliburton County a happy and prosperous new year.

Centennial Report, Mr. Gary Agnew, Chairman of the Centennial Committee, requested members of Council to get behind groups in their

area to arrange celebrations. He reported on promotions arranged, including the Centennial edition of "In Quest of Yesterday" and called on Mrs. Nila Reynolds to whom he presented the first royalty cheque.

Nila Reynolds, Mrs. Reynolds read to County Council a special tribute she had written for the occasion, and added her congratulations and sincere wishes.

Piper, Earl Cooper, played The Green Hill of Tyrole, which he suggested referred also to the green hills of Haliburton.

Greeting cards were circulated for Past Wardens Clayton Rogers, in hospital, and James McCrea, in poor health; and also for Fenelon Falls which is also celebrating its Centennial.
